

SIMPLIFYING GIVING TO AMPLIFY GOOD

For Individuals & Private Foundations

We take nothing, so your gift can give everything.

The Taylor Foundation is a global team of experienced givers enabling meaningful change. Backed by more than 40 years of philanthropic experience, we simplify international giving so individuals and private foundations can maximise their impact with confidence.

About us

Through our Enable Fund, we channel **100% of your funding** to carefully vetted, high-impact grassroots organisations — with all costs covered by our Founders.

Why partner with us

- **100% of funds reach the field** — no fees, no deductions
- **Founder-backed model** covering all operational costs
- **Rigorous global due diligence** across hard-to-reach regions
- **Neutral, trusted guidance** tailored to your interests
- **Optional direct connection** with project partners
- **Ongoing monitoring and impact reporting**

Our approach removes the complexity, risk and isolation often associated with global philanthropy, enabling you to give boldly and effectively.

THE ENABLE FUND

The Enable Fund is a trusted, fee-free platform designed to unlock greater impact for global givers.

Registered across Australia, the US, the UK and Europe, it offers:

- Tax-deductible giving across jurisdictions
- A partnership platform for like-minded philanthropists
- Transparent and effective allocation of funding
- Careful stewardship by our specialist team

Importantly, we also fund every project we recommend — ensuring true alignment and shared commitment.

SIMPLIFYING GIVING TO AMPLIFY GOOD

How we partner with you

You choose your philanthropic journey — we make it happen.

Discover

We identify your passions, priorities and geographic interests.

Curate

Our team visits and vets thousands of organisations, presenting a tailored shortlist of high-impact partners.

Allocate

You select where to give. We safely channel funding to your chosen partners, fee-free.

Report

We provide tax receipts, ongoing monitoring, and end-of-project evaluations so you can clearly see your impact.

A trusted partner

“ The Taylor Foundation takes due diligence and authentic philanthropy to a whole new level... a unique, rewarding, and simply smart experience. ”

– Anne Gripper, June Canavan Foundation.

Our impact

From its beginnings in 2002, the Taylor Foundation now supports **175+ locally led organisations across 47 countries**, helping transform the lives of more than **200,000 people** — and growing.

We take you to the coalface of the causes you care about, enabling meaningful connection with the people driving change on the ground.

Let's start the conversation
